DSWA EXAMINERS

The following list gives details of DSWA Examiners who are eligible to undertake testing through the *Craftsman Certification Scheme*, run in conjunction with Lantra Awards. All Examiners are DSWA Mastercraftsmen who have also completed training and moderation for examination of candidates on a regular basis. A leaflet detailing the accredited test scheme is available and can also be viewed on the website.

The Examiners marked *** on the list are probationer Examiners who are required to work with other, experienced Examiners initially. Two Examiners are required for all tests above Level 1/Initial. Examiners should not examine craft skills of those they have trained or those in their employ.

This list is updated annually.
